**Crape Myrtle Trimming 2024 with
Duval Landscape Maintenance, LLC. for
Cascades at World Golf Village Homeowners**

Duval Landscape Maintenance, LLC is in the process of scheduling the Crape Myrtle trimming in the community. We anticipate the start of trimming to be mid-January 2024. The trimming included in the contract will consist of trimming up the sides of the crape myrtles. If you would like your crape myrtles hat racked, please complete the attached form and forward back to Mary Marchiano at mary@duvallandscaping.com and a proposal will be sent to hat rack the crape myrtles on your property for a total of \$75 each. Once you receive the proposal, and if you are in favor of it, please sign and return it so that we trim your Crapes Myrtles as we proceed through the community. Trimming of Crepe Myrtles will follow the flow of the Detail Schedule.
